

*The Delta Science Program, Ecosystem Restoration Program, and Surface Water Ambient Monitoring Program
Jointly Present a Brown Bag Seminar Series.*

Brown Bag Series: *The State of Bay-Delta Science 2016*

The *State of Bay-Delta Science (SBDS)* 2016 is a collection of peer-reviewed articles that summarize the current scientific understanding of the Sacramento-San Joaquin Delta. The articles were published in the July, October, and December 2016 issues of the *San Francisco Estuary & Watershed Science (SFEWS)* online [journal](#). This seminar series hosted several *SBDS* authors who discussed recent progress and emerging science in their field.
